

Award Application South Dakota 2026

Deadline: March 7

Leopold Conservation Awards

Sand County Foundation and national sponsor, American Farmland Trust, along with state partners, present the Leopold Conservation Awards to private landowners in 28 states.

The \$10,000 award honors farmers, ranchers, and forestland owners who go above and beyond in their management of soil health, water quality, and wildlife habitat on working land.

Given in honor of renowned conservationist Aldo Leopold, the award recognizes landowners who inspire others to consider conservation opportunities on their land. In his influential 1949 book, *A Sand County Almanac*, Leopold advocated for "a land ethic," an ethical relationship between people and the land they own and manage.

Award applications may be submitted on behalf of a landowner, or landowners may nominate themselves. Applications are reviewed by an independent panel of local agricultural and conservation leaders.

Applications must be emailed to SouthDakotaLCA@sandcountyfoundation.org.
